MESIKA 1983

Kelly,

Hi sweetie! The long road has been started and we have suffered a lot of bumps. But this road always seems smoother when there are special people on it such as you. Your caring and warmth shines through in your smile. Your sensitivity and understanding is shown in your poetry. I am glad that I have a part of you that I can always remember you by. And I am glad that we walked part of the road together. Kelly my only regret is that time travels so fast and we do not have time to become better friends. I really mean that. If I can get your address I would really enjoy having it so that I can keep in touch with a person that is so special. I do not want to end this because I don't want to say goodbye. I guess what I will say is thanks!! Good luck Kelly. I care very much.

The road is long but brightened by wonderful memories and special friends.

I love you,

Dana

The road not taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood,
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by
And that has made all the difference.

-Robert Frost

IN MEMORY OF:

BILL HUNT

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures:

He leadeth me beside the still waters.

He restoreth my soul:

He leadeth me in the paths of righteousness

for His name's sake.

Yea, though I walk through the valley of

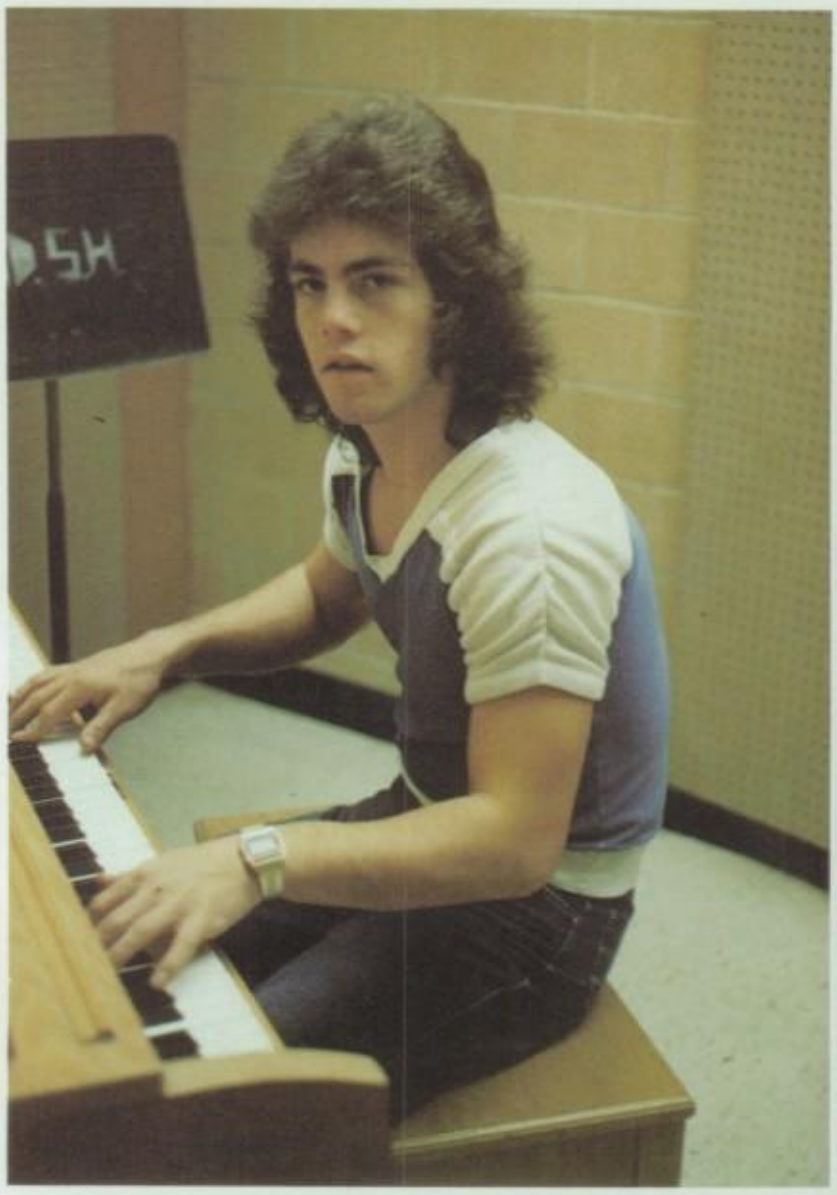
the shadow of death,

I will fear no evil:

for thou art with me ...

Psalm 23

A road that does not lead to other roads . . .



always has to be retraced,

Unless the traveler chooses to rust at the end of it.

MEADOWDALE SENIOR HIGH SCHOOL

A Twenty Year Tradition Of Excellence

Evolving from cottages, trees, fir and squirrels to houses, condominiums and a shopping mall. Through all these changes Meadowdale has maintained its tradition of excellence. And now on its platinum anniversary we would like to take a look back at the past 20 years.

The first plat of land named Meadowdale was dated July 26, 1904, and was located near Talbot. The name "Meadowdale" was coined by Robert Maltby, after whom the city of Maltby was named. Mr. Maltby's reason for selecting the name Meadowdale was, "if cleaned up it would be one vast meadow."

Many years later, in 1963, Meadowdale Senior High School opened its doors to a host of Sophomores and Juniors from Edmonds and Mountlake Terrace High Schools. "The climate when we first opened was very positive," said Dr. Harold Kloes, our first principal, "The kids were very involved."

The Schools structure wasn't finished on opening day. Some of the rooms were doorless and windowless, but classes still went on. Dr. Kloes recalled that elementary kids roamed the halls that first year as the elementaries borrowed some of our new classrooms.

There were no Seniors that opening year so the first graduating class came in 1965 when the whole school had an enrollment of 1,200 students.

The first change of command came in 1967 as Mr. Jerry Karnofski took over for Dr. Kloes. Dr. Kloes left to become the superintendent in the Wenatchee School District.

Activities these first years were very plentiful. The school had a Dad's Club for dads of students that would sponsor rooter trains to Western Conference games at Bellingham and Wenatchee. M.H.S. also had a 30-member girls marching drill team and a Future Teachers of America Club.

Many of our teachers have survived all 20 years of changing fads and students. They are: Mr. Ron Bates, Mr. Robert Burton, Mr. Jere Cary, Mr. Bruce Cook, Mr. Michael Hilton, Mr. Phil Hull, Mr. Terrance Johnson, Dr. Charles LeWarne, Mr. George Nelson, Mr. Horance Propst and Mrs. Elizabeth Sears.

The second change of command came in 1969 when Mr. Ron Fraser came from Mountlake Terrace High School, where he was a vice-principal. Mr. Fraser was planning to stay for only three years and return to college for his doctorate. His goal was a superintendency. However, he found, "an outstanding quality of kids and staff." Such a high quality that he stayed for 13 years.

A tradition that started in Mr. Fraser's era was that of class names. The first class named was the class of 1973 by the class of 1971. The past class names have been:

1973 Bacon	1980 Coneheads
1974 No Names	1981 Goobers
1975 Sardines	1982 Cooties
1976 Slugs	1983 Airheads
1977 Skunks	1984 Rugrats
1978 Sloths	1985 Sheep
1979 Smelts	1986 Lil' Weenies

Meadowdale didn't have an organized girls' sports conference until 1970. Before that time they had a Girls Athletic Association which for the most part was an interamural program. Then in 1970 Volleyball and track became extramural. Girls' Cross Country joined the Western Conference ranks in 1973, while Softball came in 1975, and Soccer in 1978.

From 1975 till the present, Meadowdale has become a school of fine sports teams. In the past eight years we have had five individual or team state championships, and have had three the past three years.

1975 brought our firstever state champion when Keith McDonel took an individual state wrestling championship. A year later, 1976, Pam Happy won Meadowdale's second individual state championship as she placed first in the state's Girls' Cross Country Meet.

1979 and 1980 was one of M.H.S. best year ever as the Chiefs' Baseball team took Meadowdale's firstever team state championship against Shadel Park in the Kingdome.

1980 and 1981 brought another individual state title as Jim Mahan won the 100 meter high hurdles at the state meet. M.H.S. took fourth.

Meadowdale still hadn't had its fill of state championships. The 1981-82 Girls' Soccer team won the first ever Girls' Soccer State Championship.

In 1982, we said good-bye to our principal and friend Mr. Fraser, who went to Edmonds. We said hello to our fourth principal Mr. Heine Sorensen from Woodway Senior High.

The future of Meadowdale's quality will be a challenge due to the outstanding achievements of the past twenty years. Meadowdale will always be known as a school of excellence.

SPIRIT ABUNDANT DURING HOMECOMING 1982

Kristi Crowned Queen

Kristi Trana was crowned the 1982 Homecoming Queen at the Homecoming Court Coronation. Also crowned were the Senior Princesses, Tiffany Speer, Renee Denoma, Michelle Smith, and Julie Morgan, the Junior Maiden of Honor, Connie Haugen, the Sophomore Lady-in-Waiting, Sherris Gunderson, and the Freshman Maiden, Kenlynn Clark.

Kristi and her court ruled over all the Homecoming week activities, and was introduced at the Homecoming Assembly, at the football game and at the dance.

The candidates were chosen through a series of interviews conducted by the National Honor Society. They were then asked a question in front of their respective classes and had to give a spontaneous answer. Each class then voted for their respective representative.

Seniors Sweep Decorations

The Airheads swept the Homecoming honors winning all but one award. In the decorations division, the Seniors won with their "Torture the Tomahawks" theme, creativity, and the special overall award. The Class of '83 also won the spirit award, the spirit link competition and the skit.

The Little Weenies, the Freshman, proved they could compete with the big guys as they showed an incredible amount of spirit and won the award for color in their decorations.

HOMECOMING 1982

Festivities Add To Spirit

Although the game wasn't going too good for Meadowdale, the Homecoming halftime show was remarkable. The band, under the direction of Mr. Paul Cobbs, came on the field with a rendition of the Meadowdale fight song.

As the court came out in beautiful, old convertible Corvettes, the band played one of the crowd's favorite tunes, "Tequila."

The Master of Ceremonies, Harold Muschett, then introduced the Homecoming Court and the Queen Kristi Trana gave an inspiring speech.

The band then formed three diamonds in honor of the queen and played "Horse." Another special treat was Rachelle Rutledge, the freshman batonist, who twirled the fire baton for Queen Kristi.

The Marching Chiefs then exited the field with the M.H.S. fight song.

SIGNS OF THE TIMES

Fads And Fashions Of Our School Year

Some of the most popular records this year: John Cougar, Scorpions, Go-Go's and Air Supply.

The latest fad in shoes- checkered vans and Top-siders.

Several willing students show off the original 501 Levis.

Always familiar with teenagers are many different kinds of junk food.

Three favorite new wave albums: The Clash, Oingo Boingo, and Toni Basil.

"Like wow man, totally awesome!" "Studly, how choice!" Are you "clueless" to what these expressions mean? They are just a few of the "devastating" expressions commonly used in today's fashionable high school slang.

The New Wave craze took over. The unheard of groups, such as The Go-Go's, Men At Work and The Stray Cats, now could be heard daily on KYYX, the "Wave."

Portable stereos were equipment for music lovers on the go. At home music television on cable, could be simultaneously watched and heard. If that becomes monotonous possibly a video game could be plugged in.

Other forms of entertainment that were fashionable were the movies "E.T.," "An Officer and a Gentleman" and "Fast Times at Ridgemont High."

Stylish young women could be seen in tuxedo blouses, striped pants, Vans or Topsiders, Levi's and Izod shirts. Headbands and legwarmers were ever-so-popular. Macho males also wore Levi's, Vans, Topsiders and Izod shirts. Ties were needed to complete the new look.

In the local sports world, the Sonics won their first 12 games, and the Huskies were denied the Rose Bowl by the Cougars. There was a major strike affecting N.F.L. play until November.

Changes around school included the newest addition, an "elevator." This elevator was the brainstorm of Senior Tom McGrath. Of course, this elevator did not operate, but it created a source of conversational entertainment for staff and students alike. Chiefs were not "freaked out" when it did not open.

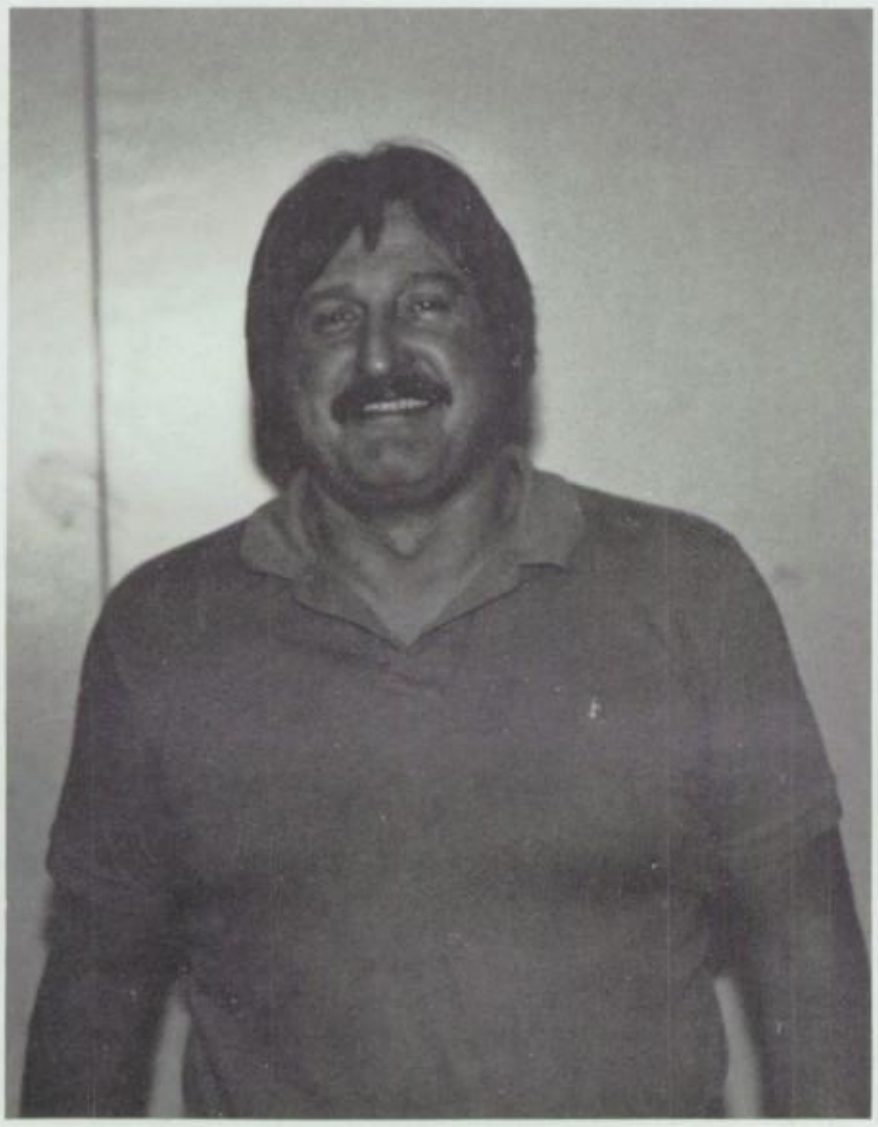
FALL SPORTS

NEW COACHES NEW BEGINNING



Head Coach Gary Minugh

The season looked bright for the Chiefs as they posted 3 straight shutouts against Woodway, Terrace, and Lynnwood. With these victories, the Chiefs captured the District 15 crown. The shutouts were made possible by a strong defensive line and secondary. After a close victory over Everett, the Senior-dominated team took a plunge by losing the next 5 games. Our Chiefs ended the 1982 season with a respectable 4 wins and 5 losses.

The final record was definitely not indicative of the outstanding talent that existed in the ranks. When halfback Doug Farmen broke his leg, reserve Scott Cook filled in exceptionally well. At moments, the Chiefs passing game shined with the Joe Cachero connecting with Rick Zalewski or Terry Euling. The run and pass could not have been possible without the blocking of the offensive line. With the expected switch to the Wes. Co. AA league, future performances look brighter.

Rookie Head Coach Gary Minugh led the Chiefs through wht he thought of as a season full of ups and downs. Ron Bates resumed coaching again by handling the backfield and secondary. Stepping down from the head coaching job at Woodway, Coach Monty Montgomery guided the linemen.

Junior Pat Delaney was voted Most Inspirational due to his constant team support. Three outstanding senior players were voted Wes. Co. Honorable Mention: Captain Dave Borders at defensive end, Joe Cachero at quarterback, and Scott Cook at nose-guard.

1982 Football Highlights

Chiefs 3 **Woodway 0**

In a tough defensive battle, the Chiefs halted the Warriors with a single field goal. Bill Ogle's boot of 34-yards capped a 54-yard drive with just 43 seconds left in the first half. The defensive victory was highlighted by a Chris Lobaugh interception.

Chiefs 19 **Terrace 0**

Another shutout, the offense exploded for an impressive victory. After a fumble recovery by Randy Doctorello, Joe Cachero connected with Rick Zalewski for a 9-yard touchdown pass. The aggressive defense came through when captain Dave Borders picked off a lazy Hawk pass and raced 90-yards for a touchdown. Doug Farmen gained 122-yards for the night, and raced into the endzone in the final quarter to top the victory off.

Chiefs 15 **Lynnwood 0**

This was the 3rd and final shutout. The Chief's offense maintained numerous solid drives. With 139-yards rushing for the evening, Doug Farmen scored touchdowns on a 31-yard dash and a 38-yard picture-perfect screen pass. Joe Cachero hit Terry Euling in the end-zone, but it was nullified due to a holding penalty. After the second Farmen touchdown, Scott Parfitt made a diving catch in the endzone for the 2 point conversion.

Chiefs 10 **Everett 9**

In one of WesCo's most exciting games, the Chiefs barely slipped past the Seagulls. The only touchdown came after Dave Lorent recovered a fumble early in the second quarter. From the 6-yard line, halfback Scott Cook slashed up the middle for a diving touchdown. Midway through the final quarter, Bill Ogle split the uprights for a 22-yard field goal. Everett, scored a touchdown with 31 seconds left to play, but missed the extra point conversion which would have sent the game into overtime. The win was mostly due to the exceptional play of the Chief's secondary against the reknowned Seagull's passing attack.

Chiefs 13 **Cascade 28**

The score did not tell the entire story, because the Chiefs outgained the Bruins. Each successful Meadowdale drive was ended by an unexpected break-down. Joe Cachero picked out Rick Zalewski for a 50-yard pass-and-run play up the middle for a third quarter touchdown. With 44 seconds to go, Cachero hits Terry Euling for an 18-yard diving catch. Joe Cachero had his best night of the season hitting 13 of 22 passes for 188-yards.

The Meadowdale girls soccer team posted a 6 wins, 6 losses, and 3 ties overall record for the year. Due to the loss of 7 starters from the 1981 state championship team, this was a year of rebuilding. Returning veterans Karen Turner, Shannon Dodge, Cindy Buck and Carol Rettig helped to mold a winning team. The girl booters came from behind for several wins. The Chiefs' Soccerettes had a league record of 6 wins, 5 losses and 1 tie, with tough competition from Cascade and Mariner. The last victory was over Shorewood and gave the girls a winning season. With the loss of only four graduating Seniors, the Chiefs will return with a young and experienced team in 1983.

CHIEF CROSS COUNTRY CONTENDERS

The Boys Cross Country team was led by Captain Steve McKerney, Seniors Greg Isham, Tom McGrath and Scott Johnson and Junior Roger Brown. Sophomores, Steve Grant and Jim Stark and Freshman Richard Menzie complete the squad. The Chief harriers had a season of ups and downs. With a strong meet against Mariner, the Chiefs were contenders all the way. The highlight of the season came at the Edmonds District meet. The Chiefs had a second place tie with Lynnwood. The season was hampered by injuries to Roger Brown and Steve Grant, but the rest of the squad filled in nicely. The Chiefs finished up the season with a fourth place finish at Wesco and a sixth place finish at Northwest. Voted by team mates as most improved was Richard Menzies. Receiver of the inspirational award, was Steve McKerney. With the loss of those four Seniors, next years team will be young but experienced team lead by Roger Brown and Steve Grant.

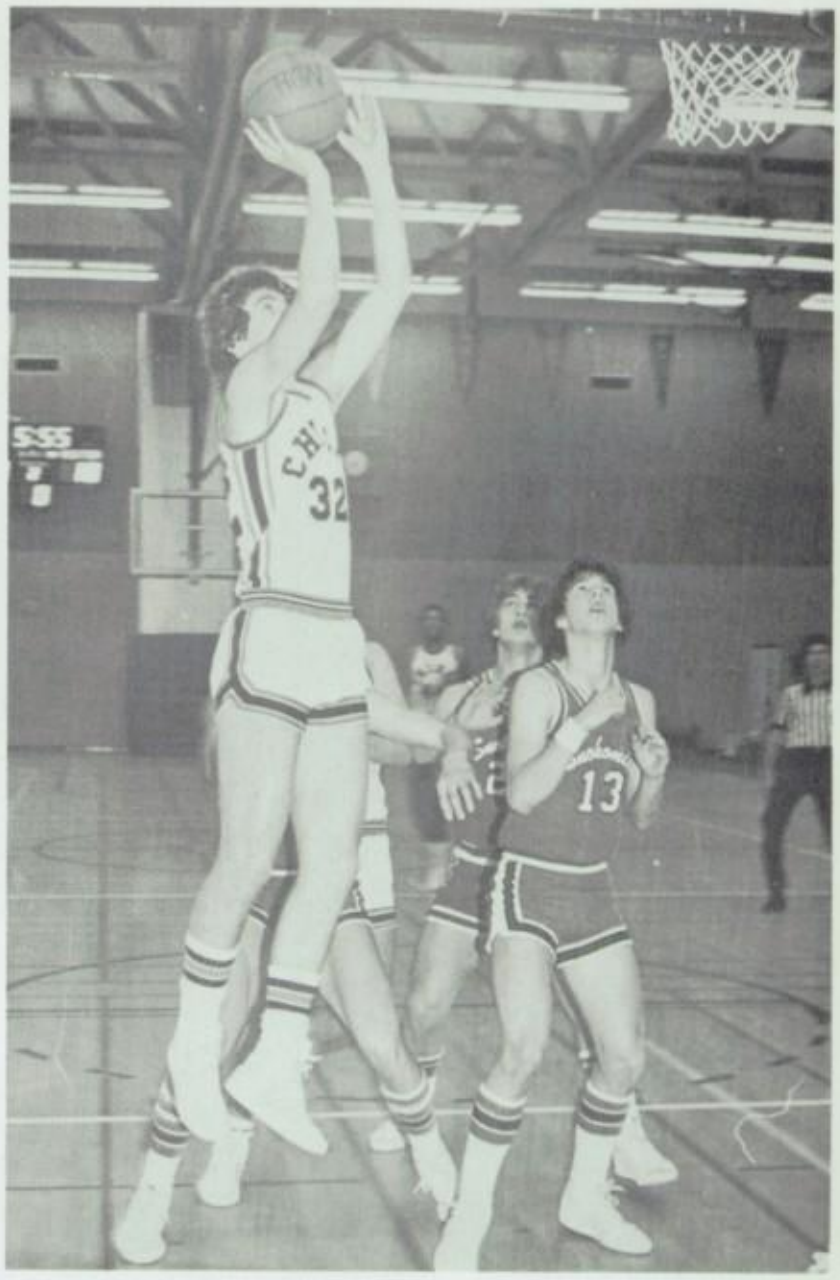
LOTS OF THRILLS



The 1983 boys basketball team began the season with high expectations. At first, the expectations seemed justified as they started off with eleven wins before their first loss. At one point, the Chiefs were ranked third among AAA teams. The Chief's hoopsters ended with 15 wins and 5 losses in the regular season. Their second place finish in WesCo earned a play-off berth, but the first playoff game was lost to Snohomish. The team was led by the accurate outside shooting of Captain Scott Fincher and Kevin Mason, while Ron Strand maintained control of the boards. The team's strong overall experience was reinforced by the depth and ability of the reserves. Eleven of the twelve varsity players were Seniors.

Never in Meadowdale basketball history have so many fans shown so much support and enthusiasm. The fans were on hand to experience what was the peak of the season: the win over Oak Harbor in five overtimes. The fourteen overtimes played by the Chiefs were the most of any team in the state. By going undefeated for eleven games, the Chiefs set a school record.

Kevin Mason and Scott Fincher were named to the All-WesCo team. Ron Strand was voted Honorable Mention. Kevin Mason was voted Most Valuable by his teammates. Tony Foss was voted Most Improved. Next season's captain will be Alex Dieffenbach.

GIRLS SCORE BIG BUT COULDN'T HANG ON

The 1982-83 Girls Basketball Team finished the season with 7 wins and 13 losses. This gave them a sixth place ranking in the Wesco Conference. The girls played excellent basketball, and allowed their opponents a total of 40 points. Coach Spangler strongly complimented the team's defense.

This year's team was made up mostly of Seniors. Senior and Captain Karen Rivard averaged 12.5 points a game. Other seniors were Kim Claussen, Tiffany Speer, Chris Johnsen, Dianne Buretta, and Chris Murray. The other girls making up the varsity team were Juniors Patty Nylund, Mary Sohnly, and Sophomore Lori Naig. Mary Sohnly averaged 8.1 points per game.

Patty Nylund set a new school record of nine steals in one game, thus breaking Linda Deboer's record of eights.

Next year's team will be made mostly of underclassmen, but should be one of the teams to beat in Wesco Conference play.

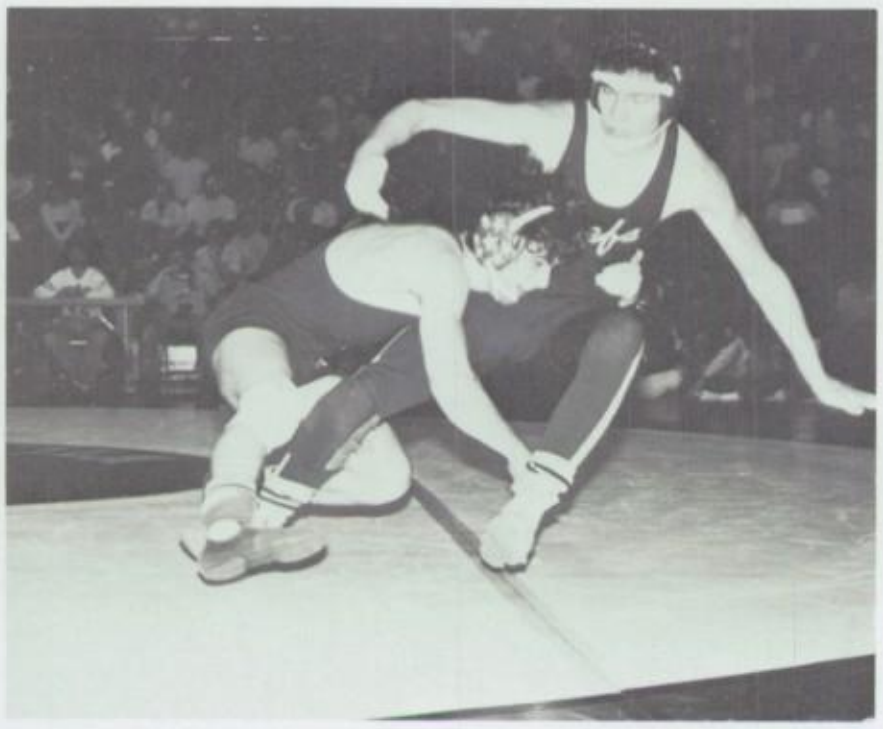
WRESTLERS TAKE 4th IN STATE



Scott Cook: 1st in state at 148 pounds.

The Meadowdale boys' wrestling team finished the season with an outstanding fourth place finish in the state tournament. Highlights of the tourney came when Scott Cook won the first place trophy at 148 pounds, and Ron Ewalt finished second.

Throughout the season the Chief grapplers were in contention for the WesCo AAA crown. At the Northwest AAA district tournament Scott Cook, Brad Cook and Ron Calendar placed first. Ron Ewalt placed a very strong second. In Regional action, Meadowdale finished strong with three first place finishes.

The team went to two tournaments and placed first at both. At the Edmonds tournament, Ron Calendar, Ron Ewalt, Pat Kramer, Scott Cook, and Brad Cook all came in first. Mike Holleman placed second. At the South Kitsap Tournament, Meadowdale beat a strong Kentridge team. Ron Ewalt, Scott Cook, Mike Holleman, and Brad Cook placed first, to win the title.

With the loss of only five Seniors, the wrestling team should be very competitive next year for the district crown.

BOYS ARE DISTRICT CHAMPS

This year's Boys Swim Team finished the season with 7 wins and 4 losses. And these swimmers won the district championship. After this victory, they moved on to the Northwest District Championship where they finished eighth.

Jim Baratto was the only swimmer to go to the state competition; he took first place in diving. Coach Nagel really gave much credit to the team for capturing the district title, and hopes to do it again next year.

There were only five Seniors on this year's team. They were Jim Baratto, Espen Erlandsen, Tom Wipp, Kurt Francis, and Erik Stark. Junior swimmers were Mike Marlin, Jim Yi, Frank Granston, and Chris Bankston. Sophomore swimmers were Tad Blake, Scott McDonald, Ford Wright, Jeff Bambrick, Brian Norman, Ken Fox, Alen Keel, Vaughn Stehr, Mike Gates, Tim Young, Darrell Jensen, Layne Elmer, Doug Gunter, and Richard VanMourik. CHEERLEADERS EXPRESS THEIR PRIDE

While most Chiefs began their school activities in September, the cheerleaders began theirs in June. The girls attended a cheerleading camp in Ellensburg.

The cheerleaders kept busy cheering throughout the school year. Practice for the varsity games is not all they do. Other responsibilities involve poster painting, assembly planning, fund raising, attending workshops, marching with our band in the Seafair Parade and cheering at a Seattle Breakers game.

Homecoming is always the busiest week for the squad. This year Homecoming arrived suddenly, just three weeks after school began. The enthusiasm of our crowd has increased. All summer squad members Alayna Sheron, Kris Parker, Sue Stark, Debbie Donahue, Sharon Nickolson, Karleen Barich, Diane Harms and Jane Spangler, and Mascots, Tina Elkins and Kristi Trana worked on routines.

MEADOWDALE BASEBALL 1983

Scott Fincher scores the potential winning run.

The Chief's Baseball team, at the time of this writing, had a record of six wins and two losses, and were second in the WesCo standings. Coach Martin attributed the team's great play this season to all the returning seniors. The toughest competition this season was Oak Harbor, according to Coach Martin. The Chiefs lost two straight to Oak Harbor. The returning varsity players were seniors Scott Fincher, Dave Borders, Jeff Kaullen, Craig Peterson, Doug Farmen, Scott Petterson, and Rob Hart. There was only one returning junior and he was Alex Dieffenbach. New team members were Joe Cachero, senior. John Murphy, Larry Skarda, Bill Ogle, Brian Haner, and Chris Lobaugh were juniors who made varsity. Scott Fincher started another season of pitching in good form, with two wins and two losses, while striking out 31 batters. Jeff Kaullen led the team in batting with an incredible .436 batting average.

One of the season's most exciting games was against Mariner. In this game the Chiefs were losing 2-0 in the bottom of the seventh inning. And with the bases loaded, Rob Hart hit a single to left field scoring John Murphy from third, and moving Jeff Kaullen to third and Doug Farmen to second. Then with one out, Craig Peterson hit a line-drive into left-center scoring Jeff Kaullen from third and Doug Farmen from second to win by the score of 3-2.

Tough rival Mariner gave the Chiefs two straight defeats. They bounced back with two straight victories over Oak Harbor.

Back from a winning season in 1982 were Seniors Shannon Dodge, Diane Buretta, Michelle Rogers, and Chris Johnsen. Excellent defense by infielders Chris Johnsen, Shannon Dodge, Mary Sohnly, and Denise Gray, were key factors in the team's success. Kim McLaughlin's pitching with Aileen Ferris catching, opposing hitters had trouble. Outfielders Diane Buretta, Michelle Rogers, Lori Naig, and Shelli Sunn, prevented powerful hitters from getting extra bases.

With the loss of only four seniors, Coach Gail Shafer will have a young and experienced team for 1984.

BOYS CAPTURE WESCO CROWN

The 1983 Boys Tennis Team clinched WESCO by winning *13* consecutive victories without a loss. The two toughest matches were aginst Lynnwood. The Chiefs dominated the crosstown rivals, resulting in 5-2 and 5-2 victories.

Senior captain Gary Casper posted a fine mid-season mark of 11-2 as the number one singles player. Tony Thompson, number two singles, and Jay Warden, number three singles, both had outstanding records at mid-season of 13-0. Doug Dreher, number four singles, was 11-2 at mid-season, with two clutch wins against Lynnwood. In doubles action, Elliott Walker and Young Kim played number one doubles. Ga-Won Kim and Floyd Pirak played number two doubles. Rounding out the top ten singles were Ron Strand at number nine and Steve Austenfeld at number ten.

Coach Mike Hilton's strategy, in close matches, proved very important.

STRENGTH FROM TEAMWORK

The Boys Track team's 1983 season was characterized by an abundance of teamwork and team spirit. Head Coach George Nelson's tracksters wound up the regular season with a record of two wins and four losses. The team's victories were over Snohomish and Oak Harbor. However, the loss to Marysville was by four points and the loss to Everett was by 13 points which are narrow losses in track and field.

Immediately following the regular season, the Chiefs took part in the Oak Harbor Invitational Track Meet. From a field of seven teams, the Meadowdale squad took first place by scoring 111 points. In this meet, the Chiefs avenged earlier losses to Everett and Marysville. Perhaps the single most important weakness in the Chiefs' performances was the lack of depth in the discus and shot put events.

The strong sophomore potential of 1981 matured as seniors into an experienced, unified and talented nucleus. Returning seniors were Tim Blevins, Richard D'Arcis, Terry Euling, Greg Isham, Byron King, Kevin Mavis, Steve McKerney, Scott Parfitt, Brian Van Tine, Tim Webster, and team captain Doug Wilson. Top WesCo performers were Terry Euling in sprints, Steve Flude in the hurdles, Scott Parfitt and Doug Wilson in the high jump, and Greg Isham in the mile.

Coach Hal Youngren coached the weight men and the sprinters. Coach Tom Castle worked with the distance people. And, Mark Freymuth was the dedicated team manager. At the time of this writing, the Chiefs were favored to secure the District 15 title.

On the ground are Kim Claussen and Karen Rivard.

Although this was a season for developing track skills, the girls' track team finished the season with three wins and three losses. Their victories came against Mariner, Marysville, and Oak Harbor. Tom Castle finished his first season as head coach.

The team was led by Captain Patty Nylund along with seniors Kim Claussen, Karen Rivard, and Karen Turner. Karen and Kim were number one and number two in the discus and the shot. The squad's sprint strength involved senior Karen Turner, juniors Patty Nylund and Shannon Grube and frosh Kelli Stevenson.

At the Oak Harbor Invitational, Shannon Grube took first place in both the 200 and 400 meter dashes. For this feat, she was awarded outstanding female performer of the meet.

Most of the depth rested with the sophomore nucleus. Michelle Fresia, Cindy Kendrick, and Jackie Ross. Sophomores Heidi DeCillia and Cathy Kowalski ran the hurdles. This sophomore experience should brighten the following girls track seasons at M.H.S.

M.H.S. SOCCER 1983

At the time of this writing, the 1983 Chief's Soccer team had a record of eight wins and three losses.The Chiefs have been playing great soccer, but so have the other teams throughout the district. Coach Evans feels that this year's varsity squad is a fine group of men, and have been playing outstanding soccer.

This year's varsity team had many returning players. They were Brian Hughey, Rick Blubaugh, Eric Drabb, Sean Rimkus, Dan Kiel, John Totten, and David Thompson — who were all seniors — and juniors Mike Simons, Alex Mattson, and Bill Wirtz.

The team's toughest competition this year was Cascade High. At a game earlier in the season against Cascade, the Chiefs were losing 1-0. They came back with two goals in the second half to take the lead by one. But Cascade scored two more goals to hand the Chiefs a 3-2 loss. Next year the Chiefs plan to take it all the way to the WesCo AA Title. They will have Coach Evans back for a seventh season of soccer.

NEW PRINCIPAL BRINGS CHANGES TO M.H.S.

The 1982-1983 school year began with a major change in administration. Edmonds School District exchanged high school principals. We acquired Mr. Sorenson from Woodway, and lost Mr. Fraser to Edmonds. With a new principal came new school policies. One major change is that every class has the same area lockers year after year. In the past, there had been a traditional Senior Hall, and designated areas for the other classes.

Another change occurred in the assembly schedule. The Naming Assembly and the Opening Assembly were combined, because two separate assemblies were too time consuming.

Combustion was high as the Commons was open to lunch in only two areas, instead of three. After a number of discussions with the class advisors, the tables were put back into three areas. This pleased everyone. This year was a year of transition for both staff and students, but we survived, and the year was a success.

HARD WORKING CUSTODIANS

Our hard-working staff of five custodians devotes many hours to keeping our school clean. Every day, they clean up piles of trash carelessly left behind. Excessive litter is a big problem, and the custodians keep Meadowdale looking sharp. Some of their numerous chores are sweeping, mopping, raking leaves, picking up garbage, replacing lightbulbs, and opening stuck lockers. Without the custodians, our classrooms and hallways would not be beautifully clean each morning. We could all help make their day a bit shorter by using the waste containers. The custodians deserve many thanks and warm smiles for their unfailing service.

PREPARED AND EFFICIENT COOKS

Back Row: Jackie Ruef, Betty Larson, Darlene Odell, Head Manager Colleen Milton. Front Row: Betty Strong, baker Grace Holley, Assistant Manager Bonnie Kulas, Joan Nelson, Donna Clune.

At 10:30, the bell rings, and many eager students rush off to lunch, mobbing the cooks in the process. When 11:30 rolls around, cooks go through the same routine. Yet calmly they accept money amidst interruptions and delays. They spend the major part of each day preparing and cooking breakfast and lunch.

Seldom do we realize how much effort is put into the preparation of meals at M.H.S.; the cooks also prepare meals for two elementary schools.

FRESHMEN OF '86

Being the Freshmen Class in high school isn't the easiest thing in the world, but the Class of 1986 sure makes it appear that way. The Frosh showed a great amount of commitment and enthusiasm in school activities. During Homecoming they won first place for color decorations. They were the only other class to win a ribbon besides the Seniors. This was the first Freshmen Class to put on a Homecoming skit.

The Senior Class, as is the custom, named the Freshmen the Li'l Weenies. The Li'l Weenies were led this year by President Dan Dieffenbach, Vice President Rachelle Rutledge, Secretary Jennifer Grant and Treasurer Holly Stemm.

The Li'l Weenies had a dance in the spring. The Frosh have great ideas for the future at M.H.S.

THE SHEEP COME ALIVE IN '83

The Sophomores, christened the "Sheep" last year, finally saw the green light. They decided to step on the gas and make the best of their last three years at Meadowdale High School.

They flocked into the halls of M.H.S., early on the morning of September 7th, determined to make this year better than their last.

The Sheep's first step towards coming together was during Homecoming week. They showed a lot of school spirit and enthusiasm. Their skit, patterned after the movie *Stripes*, was really good.

The Sheep, already thinking about graduation, did many things in order to raise money. One of their unique ideas was that of selling Halloween Insurance. Other money makers were, selling football jerseys, a spring car wash, and the Sophomore sponsored dance.

The Class of '85 was led through their Sophomore year by President, Steve Dahl, Vice President, Jennifer Kensel, Secretary, Debbie Perkl, and Treasurer, Tiffany Armstrong.

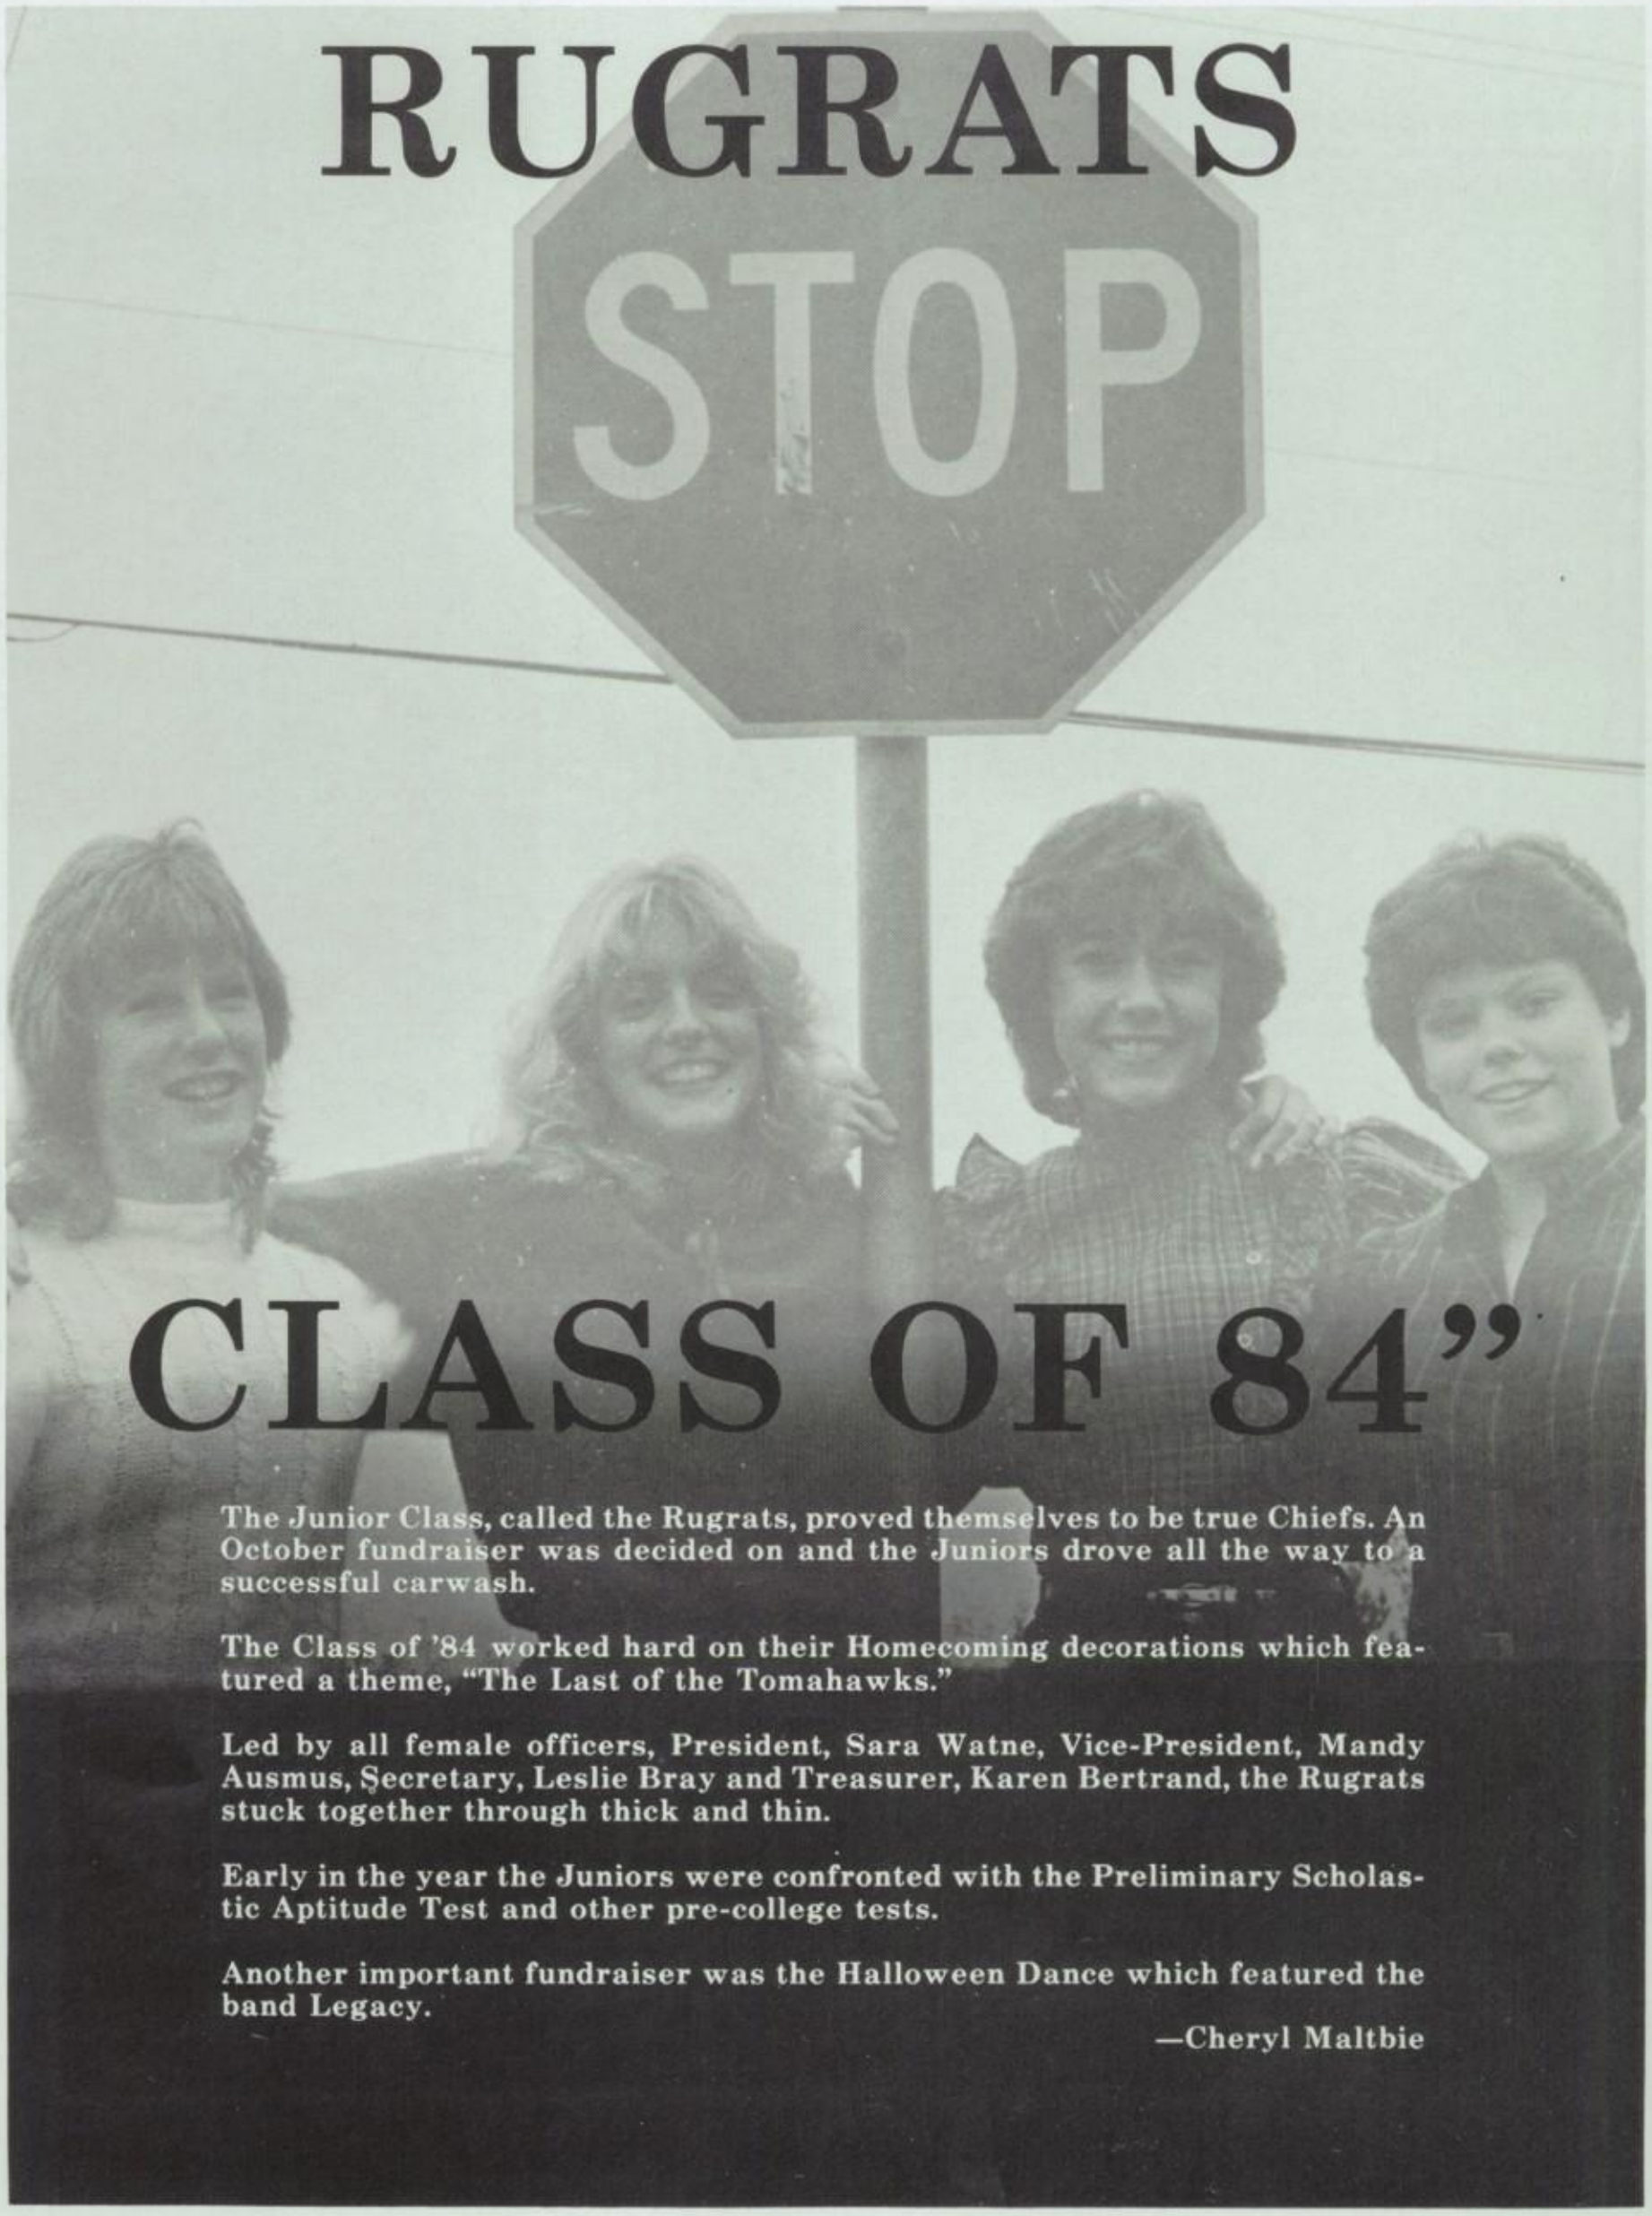
RUGRATS



CLASS OF 84"

The Junior Class, called the Rugrats, proved themselves to be true Chiefs. An October fundraiser was decided on and the Juniors drove all the way to a successful carwash.

The Class of '84 worked hard on their Homecoming decorations which featured a theme, "The Last of the Tomahawks."

Led by all female officers, President, Sara Watne, Vice-President, Mandy Ausmus, Secretary, Leslie Bray and Treasurer, Karen Bertrand, the Rugrats stuck together through thick and thin.

Early in the year the Juniors were confronted with the Preliminary Scholastic Aptitude Test and other pre-college tests.

Another important fundraiser was the Halloween Dance which featured the band Legacy.

AIRHEADS ROAST LIL' WEENIES

The Opening Day Assembly was combined with the Fall Sports Assembly. Master of ceremonies, Don Brady, introduced the upcoming skits.

The Sophomore skit was a revision of the Night Before Christmas. This dramatized the night before the first day of high school. The Juniors put on an interesting skit, called Freshman Fall Fashion. This included some of the weirdest outfits.

Then came the skit everyone was waiting for, the Senior skit. The Freshmen waited anxiously for their new name and the Seniors were anxious to give it to them.

The Senior skit was based on the hit TV series "Star Trek" with the Enterprise. Harold Muschett, Tom McGrath, Todd Coleman and Brian Thorvilson made up the four voyagers. Their job was to keep the "Star Trek" enemies away. The enemies were the Buggaloos, Sheep II, Sauce, Earwigs, Cling-ons and Lil' Weenies. The suspense ended when the Frosh were named as the enemy — The Lil' Weenies.

FOR THE 1983 AIRHEADS

The Class of 1983 had an outstanding year. The first dance of the school year, which the Seniors sponsored, was a tremendous success. The Airheads showed their energy and pride through the many hours spent toiling on decorations and class skits. At the Homecoming Assembly, the Seniors took SIX, 1st place awards. Then they followed a path of victory by winning the spirit keg several times.

Airheads did their best to show their school pride. Spring activities included Senior Week and Senior Ball. Shuffling through miles of paperwork and preparing for college, the school year went quickly. Most anxiously awaited was graduation, and the final emotional moments of high school.

Above, the class officers, nonchalant yet spirited: President Don Brady, Vice President Brian Thorvilson, Secretary Tom McGrath, and Treasurer Audrey Evans. They helped create strong interest at Senior Board meetings throughout the year.

SENIOR BOARD

SENIOR BOARD Front row L to R: Elliott Walker, Delena Bixler, Sandora Ewalt, Anne Holland, Michele Smith, Sue Gronau, Harold Muschett, Doug Dreher, Doreen Simon, Norene Meyer, Cindy Stainer. 2nd row: Diane Boivin, Audrey Evans, Brian Thorvilson, Tricia Mitchell, Julie Morgan, Julie LaBelle, Wendy Weising, Chris Engle, Shelle Gette, Lucinda Lange, Tom McGrath, Todd Coleman. 3rd row: Don Brady, Paige Stevenson, Grace Garrison, Brian Hughey, Paul Garrett, Katrina Lehmann, Brenda Tredwell, Micah Olson, Craig Peterson, Kristi Trana, Scott Johnson, Shawn McGavin, Stacy Rundorff, Julie Bader.

The Senior Board worked really hard to make this year their best. Any Senior who wanted to participate on various committees throughout the year was considered a member of the Senior Board. Since there were so many members, of which only about half are pictured, there was never the problem of finding chairmen or workers for any project.

The Board was recognized for their enthusiasm and work during Homecoming Week when they received 6 out of 7 awards. They also did an outstanding job on promotion of their big money-maker, the Senior Class sponsored dance.

Although they did many things this year, their main concern was that of the Senior Ball and Graduation. They planned an exciting Senior Week. Much discussion took place before a decision was made on the style of inscription for the traditional courtyard stone. They had a fun year and an exciting year planning for their big day, which will soon be only a memory.

NEW FLAG TEAM PERFORMS SUCCESSFULLY

Last May, Mr. Cobbs, the band director, held a meeting for girls interested in a new group - Flag Corps. Seafair was the first performance for the young team of approximately 18 members.

Led by Co-Captains Mary Martin and Michelle Fresia, hard work and dedication paid off. At the football games, marching with the band at halftime was a rewarding experience. They also performed at basketball games.

Being involved with the flag team takes effort and determination to know the routines will work. Performing meant learning how to control a 6 ½ foot pole, and knowing the basic marching techniques.

The flag girls went to Victoria with the band in May to march in a parade. From start to finish, the spirited flag team proved they could be a success!

The Concert Band performed well at the various concerts held throughout the school year. The Symphonic Band represented the school by touring. The Stage Band performed privately. The Orchestra is the smallest of musical bands, but they are great string musicians. The Meadowdale Band held many fundraisers throughout the year to help pay for uniforms and a trip to Victoria.

THE IMPRESSIVE IMPRESSIONS

Meadowdale's most advanced singing group, the Impressions, specialize in performing music written in the jazz and rock style. The group consists of 27 students, both Juniors and Seniors. During the average school year the Impressions make 20 to 40 appearances and perform before an estimated 5-10,000 persons. They have been performing for local audiences in the Seattle-Edmonds-Everett area since Meadowdale opened in 1963. The Impressions sing for community organizations and banquets. The Impressions compete against other swing groups which are judged on talent and the quality of their music. Fondly called the Imps, the Impressions represent the musical voice and talent here at Meadowdale.

The purpose of H.E.R.O. is to help the community by donating time, effort and offering suggestions to non-profit organizations. H.E.R.O. sponsored two families this Christmas by organizing a food drive. This gave those families a Christmas that they would not have had. H.E.R.O. sold "Go Chiefs" shoelaces to pay their dues. This money was also used to send deligates to the State Convention in Ellensburg where leadership skills seminars were given for three days. H.E.R.O. members set up an exhibit at the Children's Museum in Seattle also with the money they earned from their sales.

JV CHEER SQUAD ADDS ENTHUSIASM

The JV cheerleaders have added enthusiasm to our school activities. This is the first year for JV cheerleaders.

The squad consists of seven sophomore girls: Beth Topping, Jenny Keen, Ann Mullern, Carol Rowan, Shawn Warren, Julia Watson and Joann Crosbie. The jayvees showed outstanding abilities in the winter pep assembly.

A SUCCESSFUL HOLIDAY ASSEMBLY

Little Orphan Annies showed their finest apparel during the mass skit.

Superheroes, including Batman and Robin, leap onto the stage to fight fearlessly.

The annual Christmas Assembly started with the Symphonic Band playing Christmas carols and the William Tell Overture. Masters of Ceremony Doug Dreher and Scott Johnson came in riding mopeds, which was rather crazy behavior. A combination group of Impressions and Choir sang "Have Yourself a Merry Little Christmas", and the Hallelujah Chorus.

Then, came the time everyone had been waiting for. An uneasy silence filled the commons. Students from all classes stared expectantly, for this was the first year tradition had been broken. What was this tradition? In the past, each class did a separate skit. But this year, a mass skit including members from each class performed "The 12 Days of Christmas"; a humorous and entertaining version of the old favorite. Some of the days included the Partridge Family, Two Science Teachers, and Nine Super Heroes. Overall, the assembly was tremendously successful.

—Mary Martin

Steve Austenfeld leads the Partridge family in a rousing chorus of "Jingle Bells".

Tom McGrath, Todd Coleman, Harold Muschett and Brian Thorvilson as 4 Spacemen act out scenes from "Star Trek."

These people acted out "Six People Dying" in the Christmas skit.

At the end of the skit, the stage was jammed with participants, wishing you a Merry Christmas.

What gallantry and courage Keith Brown and Doug Wilson have!

After many experiments, science teacher Mr. Olson drinks a strange liquid and chases after Mrs. Sears.

"INHERIT THE WIND"

The 1982-83 first semester play production was "Inherit the Wind." This play featured Scott Johnson, Bruce Mindt, Todd Coleman, Nancy Stolle, and Mike Marlin in starring roles. A fine supporting cast helped to make this play a great success. It was performed in January before a very receptive audience. Hard work and long hours of rehearsing paid off in the end for this fine group of performers.

"TIME OF YOUR LIFE" & "FANTASTICKS"

William Saroyan's "Time of Your Life" and "The Fantasticks" was produced second semester. "Time of Your Life" featured Todd Coleman, Bruce Mindt, Adam Parfitt, Susan Gronau, and Mike Marlin. Once again, a fine supporting cast helped to make this play a success. "The Fantasticks," cast included Bill Wirtz, Eric Stark, Tom McGrath, Kristi Trana, David Tacher, Michelle McDonald, Don Brady, and Scott Johnson. "The Fantasticks" performers gave the audience an enjoyable evening. Both of these plays were put on in May. Hours of memorization and long rehearsals paid off for another talented group of performers directed by Mr. Crossett.

MEADOWDALE INDUSTRIAL WOODWORKING

Meadowdale Industrial Woodworking was established here at Meadowdale in 1968. All five District 15 high schools are represented; nine of the twenty-one students are from Meadowdale. Working under the skilled guidance of teacher, Jere Cary, students gain valuable experience by operating their own woodworking business. Since M.I.W.W. is a true business, these students operate its affairs. They earn experience in such matters as economics, estimating, bidding, quality control, and mass production.

When forming the business, company officers are also selected. The officer-students from Meadowdale are: Design Manager Jim Baratto, Secretary Tina Zarelli, and Finishing Foreman Mike Ryberg. These students not only develop woodworking skills but also leadership skills.

Each year, M.I.W.W. participates in the District 15 Rotary House project by building cabinets for that house. This group builds both mass produced and custom items for private and business consumers. In Febuary of 1983, some M.I.W.W. students participated in the Vocational Industrial Clubs of America (V.I.C.A.) skills contests.

Past students have made successful use of the skills gained in M.I.W.W.: two former students are industrial arts teachers, many work in the woodworking industry, and some own their own businesses. It is hoped that the valuable skills earned will someday result in the enrichment of these students lives.

1983 MESIKA: FOR YOU

High school is just one road in the highways and byways of life. We, the editors of the 1983 Mesika, have tried to capture these moments of high school and, bind them into these 192 pages. We hope that when you pull this book off your shelf thirty years from now; you can blow away the dust and recall your years at Meadowdale Senior High.

We would like to thank our advisor Mr. Don Ridge and our American Yearbook representative Mr. Jim Palm. Thanks are also in order to, Mr. Bart Finkbiner and Mr. Donn Northquist, and the rest of the staff at George Somoff Photography. They did a great job! We would also like to thank, Tom McGrath, Shawn McConnell, and Joe Cachero for their great artwork. We would also very much like to thank Brecky Wright, our photo editor, who really came through when we needed a strong photographer.

After a year of hard work, late nights and arguments, here it is the 1983 Mesika. Enjoy!

Kelly,

It seems like we just graduated from Seaview Elementary yesterday. Those memories will always be in our minds as well as the times here at Meadowdale. You are really a neat person and I hope that our friendship will last beyond graduation. Next year I'm going to the U.W. Good luck in the future and take care.

Kelly,
It is not very good at writing in year books but I'll fake it!! It was sooo neat to get to know you this year, I loved having you in Family Living it was a great way to start out my day! You really are a fantastic person!! Let's keep in touch - if we don't I'll be forever mad at you! You really are a beautiful person Inside and Out!!

All my love,
Karen Symuth

Kelly,

You are a very special person. I am glad that we are friends! I enjoyed our friendship this year and hope graduation doesn't stop our friendship! I would love to continue getting together with you and I'll try to keep in touch! You are a very sincere sweet person and you mean a lot to me! Thanks so much for all your support and concern for me this year!

God Bless,
April

Kelly,

I have so many fond memories of you, 6th grade we used to play at recess together, and we used to say how we couldn't wait until high school came so we could see each other again. Well we finally did but now it's time to say goodbye again. You are a great person, Kelly, have a splendid future,

God Bless You

LOVE

Kelly,
I never knew you until this year, (and not so much then either!) but I think you've got to be one of the sweetest people around. I'm sure you hear that all the time! I've known you for 3 years, actually, because I knew you & Kevin as the couple who was always bumping into me! But I'm over it now! I hope you'll always have your sunny smile and share it with others - are you going to school in the fall? If so, good luck and have fun! If not, good luck as well! Take care of yourself always and live life to its fullest, and don't forget the class of 83'!

Love,
Karen C.

Kelly,
This looks like a good corner to sign your year book. First I have to say that I have never known a more polite, sweet, kind, apologetic person in my entire 16 years. I must tell you that there is no need to say "~~I'm~~ sorry" or "thank you" for every thing I do or say. But you do. You are a special person Kelly. And you have made me proud to know you. Keith B.

Dearest Kelly,
How beautiful you are! Thank you for your warm smile in the corridors during the 82-83 school year. I appreciate your ~~so~~ much. I wish for you a wonderful journey through your life. I hope that we'll see one another in the future, and remain friends. Always keep in touch.
Always,
Love, Kristen Whaley

Kelly,
Your smiles always brighten my days, your always so friendly and have a warm word for everyone. Im glad that you and Kevin got everything in order, and you seem so happy now. I hope you have a wonderful future doing whatever you have in mind. You will be a succesful person because of your optimism. Good luck Kelly and I wish you all the happiness in the world, you deserve it..
love.
